Our ref JD/HMH

19 March 2010

Dear Parent/Carer

## Letting you know what's happening

We have been working hard to respond to concerns about communications between school and home. Those of you who collect your children from school will have noticed our new noticeboard which will display information about the week ahead. This board will be in place every morning and afternoon. If you have any suggestions about how we can improve this service please let us know.

We have also been working hard to update and improve our website. The site is currently being redesigned to reflect our new class themes and our Eco-school status. When the redesign is complete, there will also be a rolling news section on the front page, updating you on the latest developments at school. Take a look at the progress so far by visiting the website at [www.watlingtonprimary.co.uk](http://www.watlingtonprimary.co.uk).

## Science and Engineering Week

Children in each class will be enjoying a week of cross-curricular activities on the theme of science and engineering. Classes are variously studying water, the drainage of the Fens, ...

## Netball Success

Our netballers achieved a fantastic second place in the Downham area Hi-5 Netball tournament on Monday. With two thumping wins and one narrow defeat, they did us proud. Well done to all of them.

## Class Photos

The school photographer will be here on Wednesday morning to take group and team photographs. Please ensure your child is in full school uniform and that any school team kit (football/netball) is back in school by that day.

## Achievement Assembly

Our Friday afternoon assemblies, when families and friends are welcome to join us to celebrate the week's achievements, have become a regular feature of our school life. We would welcome your ideas and comments about how well these assemblies work for you. If you have any thoughts about this, please send them to us using the suggestion box below.

Thank you.

Mrs Jenny Dowden  
Headteacher

Mr J Rice  
Deputy Headteacher
