

APPLE CLASS SUMMER TERM NEWSLETTER

This half term we are finding out about Barnaby Bear's travels in India.

We are going to be finding out about many things including where England and India are, how we would get to India and the transport they have in India.

After the half term break we will be learning about materials. This will give us an opportunity for plenty of practical work.

These themes provide plenty of opportunity for different literacy and numeracy activities.

Literacy

We are going to be looking at stories from a range of cultures with patterned language; where the children will build up to writing their own story. We will continue sharing reading as well as practicing sounds to help with reading and writing.

Numeracy

In numeracy we will be learning about measures, money, number patterns, repeated addition and sharing sets. We will be problem solving with addition and subtraction.

R E

We will be learning about how Jewish people express their beliefs by looking at some of their celebrations.

Thank you for sending book bags into school every day and for the support you are giving with the children's homework.

Hearing your child read and practise their words regularly is so helpful in giving them a good start and building their confidence. This is time well spent with your child.

Now that the weather is getting warmer, please make sure your children have appropriate clothing.

Thank you for sending book bags into school every day and for the support you are giving with the children's homework.

Hearing your child read and practise their words regularly is so helpful in giving them

a good start and building their confidence. This is time well spent with your child.

Now that the weather is getting warmer, please make sure your children have appropriate clothing.

Please ensure that your child has their PE bag in school Monday to Friday each week.

The children are enjoying coming into school by themselves in the morning and this is another valuable step in them becoming independent and learning to look after themselves and their belongings in a safe environment. Thank you for your support with this.

If, however, you need to speak to a member of staff, please let your child come into school and then make an appointment with Mrs Haylock.

We do not want to stop communication with parents. Please talk to us if you have any concerns.

Meal & Snack costs

Meals £2.00 each day
 £10.00 per week

Orange Juice £ 5.60 per ½ term

Biscuit or fruit £ 4.20 per ½ term

This must be brought to school in a clearly named envelope on a Monday morning and posted in the boxes near the office.
