1 May 2020

Dear Parents and Carers,

As we finish another week of the lockdown, all of us have been so impressed with the work that you have been doing with your children. We love hearing what you have been working on, baking or crafting. We really miss all the children and I know that staff would want me to say again to please email them if you are struggling so they can help where they can.

As we all await the government's announcement next week as to how they plan to ease the lockdown I am sure we are all aware that it won't happen overnight and we will need to do it gradually. If we are asked to continue social distancing in school I am sure you appreciate this will need some planning and radical changes to how the school will operate. As soon as this is in place be reassured we will let you know our plans, but for the moment we must continue to follow the government's advice to stay home and stay safe.

This week in school we have been gardening! The children, together with Mrs Hearn, Miss Scott, Mrs B and Mrs Jory have been busy clearing the raised beds and planting. We look forward to seeing how these grow over the few next months.

Both teaching staff and I have continued to contact parents this week and we have really enjoyed hearing from you all and speaking to some of the children. Unfortunately the weather hasn't been so good, but we have still loved seeing and waving at some of you as you walk past the school.

In the meantime, I hope everyone stays safe, stays indoors and stays well.

With best wishes

Mrs R M<sup>c</sup>Glone  
Headteacher
