

Our first buddy time

On Thursday 14th September 2017, we met our new young Acorn buddies for the first time. Fortunately, it was good weather so it was a pleasure to spend some time with them in the outdoor classroom. This was the first visit of this classroom by the acorns hence, they were quite excited. We helped them explore the area and then read them a book of our choice. It would be fair to say that some of the buddies were too excited to be able to focus in the new-found exciting classroom. Finally, we went into the library to have a calming end to the session. Mrs Bush read to us one of her favourite stories by Michael Rosen. Yes you've guessed it correct. It was: 'We're going on a bear hunt' to which we all joined in.
