Dear Parents and Carers,

Diabetes Good Care in School Award

We are delighted to announce that we have been nominated for a Diabetes Good Care in School Award. The award recognizes schools that care for pupils who have diabetes, ensuring that correct policies and procedures are in place and that children diagnosed with the condition are given the same experiences and access to education as all other pupils.

The award is run by Diabetes UK and more information can be found on the following website

https://www.diabetes.org.uk/get_involved/campaigning/type-1-diabetes-make-the-grade/good-diabetes-care-in-school-award

We are really excited to have been nominated and a special thank you go to the staff who have the day to day care of our diabetic pupils who have made this possible and those that have nominated us.

We look forward to hearing the outcome!

Yours sincerely

Mrs R M°Glone
Headteacher
