

BEECH NEWS

Friday 25th February

Dear Parents and Carers,

We just want to thank you all again for being so understanding for the school closure at the beginning of the week. It was lovely seeing the children's faces on Wednesday all refreshed from their half term break.

This week in English, we have started our new topic 'Performance Poetry.' We have looked into a narrative poem based around *Hansel and Gretel* and have been practising how to perform in front of others.

In our Maths lessons, we have continued fractions and looking into adding fractions together. We have really grasped this concept and have learnt that you must keep the denominator the same and just add the numerator together.

In PE, we have started to learn Pilates. We have enjoyed working on the movements shown to work on strengthening our muscles and also support our wellbeing.

In topic, we have been researching rivers around the world. We used iPads and worked as a team to find different facts about them and using geographical vocabulary.

Recently in the news, there has been inappropriate images surfacing online on certain children's games. From having discussions with the children about them using a range of sites and apps, please be mindful of your child's online/gaming activities.

Best wishes,

Beech team
