

OAK NEWS

Oak Class
Attendance:
87.39%

Friday 25th February 2022

Dear Parents/Carers,

Well, what can I say?! What an unusual way to have started a term. Thank you to those of you who have sent in work completed by your child on Monday and Tuesday, it is greatly appreciated. Could you please return Monday's English task to school (or via email) by Tuesday 1st March. As I stated in the email, the online learning was shared in the Oak Team, which children can access using their school email.

Since returning, Oak Class have worked incredibly hard to complete all of the 2017 SATs. I am currently marking and preparing the data to share with you next week. As always, I have been very impressed with how the children have applied themselves to these assessments and drawn on their prior knowledge to answer the questions which they faced.

Oak Class have been working through the Year 6 unit on Measures. I was extremely impressed with the class' confidence when converting between miles and kilometres. We perhaps need to spend a little more time on converting between different units of measures and ensure that we apply our knowledge of multiplying and dividing by 10, 100 and 1000.

On Thursday, we look forward to celebrating World Book Day. This year is the 25th anniversary of World Book Day. Not only will be completing a range of activities throughout the day, but there is also a special lunch, which you can book in the normal way.

Dates for the diary:

Wednesday 2nd March – School Photos
Thursday 3rd March – World Book Day
Friday 1st April – Last day of term
W/C Monday 9th May 2022 – SATs Week

I hope you have a lovely and restful half term,
Miss Jacklin
