30th September 2022

Dear Parents and Carers,

Please be aware that there is a sickness and diarrhoea bug making its way around the school at the moment. We have discussed the situation with the local Health Protection Team and are writing to provide you with advice and an information sheet.

Should your child show any signs of developing this illness we would advise you to keep them at home.

If your child has had any sickness or diarrhoea, please ensure that children are clear of symptoms for a full 48 hours before returning to school. This is in line with Health Protection Team guidance.

As a school we strive to educate children on the importance of personal hygiene to stop the spread of germs and request that this message is reinforced at home.

We will continue to monitor the situation and work with you to combat this bug.

Thank you in anticipation.

Yours sincerely,

Claire Chapman

Headteacher
